Formative Task المهمة التكوينية Planning, Research & Group Proposal	I can work with my group to research and plan a textured artwork that represents one UAE cultural element. I can explain why our chosen element is meaningful and how we plan to create it using texture and materials.	Formative: Group planning and teacher conference. Students choose one UAE element, research its meaning, decide why they selected it, create a group sketch, explore possible textures/materials and plan how the artwork will be made. Differentiation/UDL: choice of UAE element, materials and group role; visual examples, teacher guidance and peer support.	
Summative Task المهمة الختامية Final UAE Texture Artwork	I can collaborate with my group to create a textured artwork that communicates UAE culture and identity.	Summative: Final collaborative UAE Texture Artwork. Students create the planned artwork using visible texture and selected recycled and/or regular art materials. Each student contributes to the construction and final presentation. Differentiation/UDL: flexible group roles, choice of materials and technique, visual examples and individual teacher support.	
Homework الواجبات	Bring any safe recycled or art materials your group plans to use for the final artwork, if needed.	Material-readiness and group-planning check.	Group plan, Toddle instructions and approved materials.
Teacher's notes/ Reminders ملاحظات المعلم والتذكير	Groups are maximum 4 students. Every student must have a clear role and contribute to the planning and final artwork. Students must agree on one UAE cultural element before beginning construction. Recycled materials are encouraged but are not compulsory. Students may combine recycled and regular art materials. All tools and materials must be used safely, and workspaces must be cleaned after the lesson.
