Lesson 25 الحصة الأولى	• I can identify the main claim about belonging in "The Science of Belonging and Connection." • I can distinguish a claim, reason, and supporting evidence. • I can explain how a writer uses evidence to support an argument.	Formative: think-pair-share; teacher think-aloud annotation; claim–reason–evidence colour-coding; exit check. Differentiation: pre-taught vocabulary, chunked excerpt, guided highlighting, sentence frames; extension—question evidence credibility.	"The Science of Belonging and Connection" (Edutopia); approved article excerpt; annotation key; claim–reason–evidence organizer.
Lesson 26 الحصة الثانية	• I can identify a claim about belonging or inclusion and its supporting reasons. • I can evaluate whether evidence is relevant, credible, and sufficient. • I can explain a strength or weakness in the writer's reasoning.	Formative: evidence-strength sorting; partner annotation; claim–evidence–reasoning evaluation chart; short justification. Differentiation: evidence cards and rating prompts; partner discussion; extension—identify assumptions and counterclaims.	Edutopia article/excerpt; evidence-rating chart; evaluation checklist; vocabulary glossary.
Lesson 27 الحصة الثالثة	• I can develop a clear claim about whether belonging is necessary for well-being. • I can use evidence and reasoning to support my position. • I can listen respectfully, respond to counterarguments, and evaluate speakers' reasoning.	Formative: small-group structured debate; preparation notes; peer observation checklist; oral feedback. Differentiation: assigned debate roles, evidence bank, speaking frames, rehearsal time; extension—rebuttal using source limitations.	Article notes; debate question and role cards; claim/counterclaim organizer; speaking and listening checklist.
Lesson 28 الحصة الرابعة	• I can synthesize ideas from the article and class debate. • I can support a reasoned conclusion with relevant evidence. • I can acknowledge a counterargument and reflect on how my thinking developed.	Formative: written CER/PEEL reflection; self-assessment; peer feedback; exit reflection. Differentiation: paragraph organizer, sentence starters, optional oral rehearsal; extension—evaluate conflicting evidence and qualify conclusion.	Article and debate notes; CER/PEEL organizer; reflection rubric; editing checklist.
Homework **الواجبات**	Review the article and annotated claim–evidence–reasoning notes. Prepare two evidence-based points for the debate; revise the written reflection after feedback.	Use formative checklists, exemplars, conferencing, and teacher feedback to monitor progress.	Approved Edutopia reading excerpt, class notes, vocabulary glossary, debate notes, and reflection organizer.
Teacher's notes/ Reminders **ملاحظات المعلم والتذكير**	Lessons 25–28; structured debate in Lesson 27 and written synthesis in Lesson 28.
