Week #: 12 (16-20 Nov)

Subject: Theatre **Unit Title:** 1: Using Improvisation to Create "Who, What, When, Where, Why"

Grade: 6

Lessons	Learning targets	Assessment tools and strategies Formative/ Summative/ Differentiation	Resources and links for Parents
Lesson Sustaining Atmosphere in Performance	Students will apply their understanding of mood and atmosphere to sustain it consistently throughout a full scene.	• **Student Self-Evaluation:** Reflection form.	
Homework	Write a short paragraph: “How can music, light, and movement change the atmosphere in a scene?”		
Teacher’s notes/ Reminders	Encourage respect and positive feedback. Emphasize atmosphere as a *shared group feeling.*		

Week #

Technology Integration	• Watch short clips of local and international celebrations. • Use music to inspire atmosphere creation.
Cross-curricular links	**Social Studies:** UAE cultural festivals (e.g., National Day, Al Dhafra Festival) vs. global celebrations (e.g., Carnival, Diwali).
External Assessment Integration	• Group performance rubric (clarity of mood, ensemble cooperation, vocal and physical expression).

Wellbeing/ ATL Skills	• **Self-management:** Control energy and emotion on stage. • **Social:** Work cooperatively in an ensemble. • **Emotional awareness:** Recognizing and expressing feelings safely through drama. • **Collaboration:** Building trust in ensemble work.
Standards	Standard 1: Create – Develop characters through role play. Standard 2: Perform – Demonstrate character choices using body, voice, and imagination. Standard 3: Critically Respond – Reflect on character development and peer performance.
Inquiry/ TOK Question	How does playing a role help us understand our own and others' identities?
Success Criteria (Measurable)	*Students MUST be able to identify and describe at least three different moods (happy, sad, tense, joyful) and demonstrate each mood using appropriate voice and body movements.* *SHOULD – Most Students* *Students SHOULD be able to apply and demonstrate effective vocal expression, facial expressions, and purposeful movements to create and maintain a clear mood and atmosphere throughout a short performance.* *COULD – Some Students* *Students COULD be able to experiment with and evaluate different acting techniques, combining voice, movement, and facial expressions to create a consistent and engaging atmosphere and communicate emotions effectively to the audience.*
National Identity Domain	• Compare the atmosphere of **UAE festivals** (e.g., Eid, National Day) with **world celebrations** (e.g., Christmas, Chinese New Year). • Discuss how mood reflects culture and values.
