Week #9: 26 – 30 October 2026

Subject/:الموضوع Business Management **Unit Title: عنوان الوحدة 5: Operations** **Grade الصف: 12DP**

Lessons الحصص	Learning targets أهداف التعلم	Assessment tools and strategies التقييم Formative تكوينى/ Summative ختامى / Differentiation التمايز	Resources and links for Parents و المصادر الروابط المخصصة لأولياء الأمور
Lesson 1: Introduction to operations management 1 الحصة مقدمة في إدارة العمليات	• I can **define operations management** and identify the **inputs, transformation process and outputs** of a business. • I can **explain how operations links to HR, marketing and finance**, and how operations differ in **goods vs services**. • I can **evaluate the role of operations in ecological, social and economic sustainability**, using BM tools (circular business models, decision trees; force field analysis – HL).	3.1 Activate prior knowledge using organizers, links, and pre-teaching. 2.5 Use multiple media to illustrate concepts (diagrams, videos, models). 8.3 Foster collaboration and community with structured group roles and supports.	• Video – What is operations management? https://youtu.be/nG5-52a5lRo • Discussion idea: list every step needed before a bottle of juice reaches a Dubai shop.
Lesson 2 الحصة الثانية Operations 5.2 methods أساليب العمليات	• I can **define job, batch, mass (flow) production and mass customisation**, with an example of each. • I can **identify the operations method used** in real production videos (How It's Made). • I can **explain the advantages and disadvantages** of each operations method.	2.5 Use multiple media to illustrate concepts (diagrams, videos, models). 7.1 Increase engagement by offering choices and autonomy. 5.1 Provide multiple communication media (text, speech, visuals, models).	• Job production example: https://youtu.be/9iSidNUngoI • Mass production example: https://youtu.be/RmItqvaJrMY • Mass customisation example: https://youtu.be/4h6adna8D84
Lesson 3 الحصة الثالثة Choosing an 5.2 operations method exam practice & اختيار أسلوب العمليات المناسب وتدريب على الامتحان	• I can **compare the four operations methods** (volume, unit cost, flexibility, labour vs capital). • I can **evaluate the most suitable method** for a given business, and how **change and ethics** affect that choice.	3.2 Highlight big ideas, patterns, and critical features using organizers and examples. 6.4 Support progress monitoring with rubrics, checklists, and visual progress tools. 8.2 Vary challenge level with differentiated tools, resources, and difficulty.	• How It's Made – How cotton is processed in factories: https://youtu.be/QHgNoSYlhYs

	• I can **apply operations methods to case studies** (BMW Mini, Mumbai Maestro, Fischer Sports).		
Lesson 4 **الحصة الرابعة** **GROW Day reflection (GROW) يوم النمو**	• I can **analyse my errors** in my assessed task and identify **three priority areas** for improvement. • I can **reflect using the G.R.O.W. model** (Goal, Reality, Obstacles, Way forward). • I can **respond to my teacher's feedback** and set a clear goal with a growth mindset.	9.3 Develop self-assessment and self-reflection with tools, charts, and feedback displays. 8.4 Provide mastery-oriented feedback that emphasizes growth and improvement. 9.1 Promote positive beliefs, expectations, and motivation through guided self-reflection.	• GROW Day Worksheet – students upload their assessed task and complete the reflection.
Teacher's notes/ Reminders **ملاحظات المعلم والتذكير**	• Students should bring their **Business Management notebook and student textbook** to every lesson.		

Week #9 الأسبوع#

Technology Integration دمج التكنولوجيا	• Interactive lesson slides; YouTube clips (What is operations management?; How It's Made production videos). • Students upload a photo, PDF or link of their assessed task to the digital GROW Day Worksheet.
Cross-curricular links الروابط بين المواد الدراسية	• **Environmental Systems & Societies:** sustainability, circular economy and renewable energy. • **Mathematics:** expected values in decision trees. **TOK:** Should a business accept higher costs to be more sustainable?
External Assessment Integration دمج التقييمات الخارجية	• IB DP Business Management **Paper 2** style case studies (Sahara Fresh Juices, BMW, Case Studies 29.1 & 29.2). • Use of IB **command terms** (define, outline, explain, analyse, discuss) and IB **markbands**.
Wellbeing/ ATL Skills الصحة النفسية/ أساليب التعلم	• Thinking skills – weighing trade-offs and comparing operations methods • Research skills – real examples and How It's Made video note-taking • Communication & reflection – stakeholder debate, teaching peers, GROW Day
Standards المعايير	• IB DP Business Management **5.1 Introduction to operations management** and **5.2 Operations methods** (SL & HL). • Key concepts: **Sustainability**, **Change** and **Ethics**.
Inquiry/ TOK Question البحث والاستقصاء أسئلةTOK	• **Inquiry:** How can a business produce more while using fewer resources – without harming people or the planet? • **Inquiry:** Why do businesses choose different operations methods?
Success Criteria معايير النجاح **(Measurable)**	• **Must:** Define operations management (inputs → process → outputs) and the four operations methods. • **Should:** Explain links to HR, marketing and finance, and the advantages and disadvantages of each method. • **Could:** Evaluate sustainable operations and the most suitable operations method for a business.
National Identity Domain مجالات الربط بالهوية الوطنية	Conservation الحفاظ علي البيئة Global Understanding التفاهم العالمي Value Heritage التراث
	Area المجال: UAE sustainable production and industry: EGA's CelestiAL solar aluminium, Net Zero by 2050 and 'Make it in the Emirates'.
	Implementation التطبيق: Students link operations methods to UAE examples, from hand-tailored kandoras (job) to bottled water (mass).
